

# DISTRICT III ADVISORY BOARD

## AGENDA

March 5, 2008  
7 p.m.

Wichita WATER Center  
101 E. Pawnee

### ORDER OF BUSINESS

- Call to Order
- Approval of minutes for Feb. 6, 2008

### PUBLIC AGENDA

1. Scheduled Items  
No scheduled items.

2. Non-Scheduled Items

**Recommended Action:** Receive and file.

### STAFF REPORTS

3. Community Police Report  
Community Police Officers for District III will report on specific concerns for the area.

**Recommended Action:** Receive and file.

### NEW BUSINESS

4. Storm Water Sewer to serve the area between Hydraulic and Washington from 43<sup>rd</sup> Street to 47<sup>th</sup> Street South

**Gary Janzen, Public Works Engineering**, will present information on a proposed project that will provide a drainage system for the entire neighborhood. The new drainage system will facilitate the future paving of additional dirt streets in the area, and will allow the cost of the drainage for this area to be spread fairly and equitably amongst all property owners.

The majority of the neighborhood generally bounded by Hydraulic, Washington, 47<sup>th</sup> Street South and 43<sup>rd</sup> Street South is served by dirt streets, with bar ditches for drainage. For many years, petitions have been requested from area property owners for paving individual street sections. To date all paving petitions have been unsuccessful, in large part because the cost of drainage improvements to the area would be borne by the petitioners in any one single block. On January 22, 2008, a neighborhood meeting was held to discuss a proposed area-wide drainage project, which Public Works-Engineering Division is recommending to be ordered in by the City Council.

**Recommended Action:** It is recommended that the District Advisory Board recommend approval of the order-in Project.

**5. Five-Year Transit Development Plan**

Wichita Transit is in the process of developing a TDP to provide a five-year guide to the development of the community's fixed-route services, as well as to guide its marketing and financial activities. Members of the study team will be meeting with the District Advisory Boards for 10 to 15 minutes to answer questions regarding the TDP and to get input on service changes or improvements needed in the community.

**Recommended Action:** Provide comment.

**BOARD AGENDA**

**6. Updates, Issues and Reports**

Opportunity for the Council Member and the District Advisory Board Members to report any activities, events or concerns in the neighborhoods and/or District III.

- a. Council Member Skelton
- b. DAB members

**Recommended Action:** Receive and file.

**7. Adjournment**

The next regularly scheduled meeting for District III Advisory Board will be held at 7 p.m. on April 2, 2008, at the Water Center located at 101 E. Pawnee.
